

A Word from the Walkers

Winter 2018

Philippians 1: 6 "Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."

Dear Friends,

We would like to take this opportunity to wish you a wonderful Christmas and a Peaceful New Year. Where has the time gone? It seems like just a few weeks ago that we were getting ready for last Christmas!

Calendars for 2019

Some of the believers involved in literature distribution.

Praise the Lord that the 2019 Calendars arrived early this time, so we were able to distribute Calendars to many churches around the country. It was a very busy time, driving over 2500 kilometres (1500 miles), and we thank the Lord for safety in all our travels. We delivered calendars to the towns of Chorrera, Aguadulce, Chitre, Boquete, Sona, Santiago, Tole, David as well as Panama City to name a few. Lord willing the remaining 25,000 calendars will be distributed door to door around the towns in the Province of Veraguas where there is no evangelical witness.

Cuaresma Tract Distribution

The annual religious pilgrimage to Atalaya will take place from the 6th - 10th March 2019. During this time Lord willing, the believers from the church in Atalaya will distribute Gospel calendars and Christian literature among the some 500,000 people who will attend the pilgrimage.

Caleb

Our grandson Caleb, who was born in August, has been diagnosed as 100% deaf. Stephen and Judith, as well as Caleb, have an appointment this month with a specialist to see what can be done for Caleb's hearing.

Please pray for the literature that goes into homes that the Holy Spirit would convict many of sin and souls will be saved.

In September Clive & Jose made a trip to the province of Bocas del Toro to give out study books to different churches. The Pastors were all very content to receive the Christian material

Church Building

At present we are in Northern Ireland, but Lord willing we will be returning to Panama on the 11th January. The month of January is the beginning of summer, so we are trusting the Lord to be able to commence the work again on the church building project. The building will not only be for believer's meetings, but also for children's and youth work. There are hundreds of children and youth in the immediate town of Atalaya as well as many, many more not too far away in San Antonio and surrounding areas.

We are trusting the Lord to add two or three bedrooms for visitors who visit as well as others who may come for Conferences and Seminars. A lot of work is still needs done to see the building finished, but we know the Lord is so faithful in completing what He has started.

The Lord will supply all of our needs. **Philippians 4: 19** *"But my God shall supply all your need according to his riches in glory by Christ Jesus."*

This is how the building is today. There is still a lot of work to do.

Thank you for your encouragement to us personally. We count ourselves to be very privileged when you so faithfully pray for us.
